SERVICE PLAN

from just 50p a day!

SPREAD THE COST OF YOUR MOTORING OVER THREE YEARS

Northern Motors offer you a Service Plan so you can budget your servicing for your Vauxhall and your MOT costs too!

It's as easy as 1, 2, 3!

1. Choose the term you wish to cover (one to three years)
2. Estimate your annual mileage
3. Choose whether to include any MOT tests

We then estimate your servicing/MOT costs for the periods and mileage you have given and you simply pay by a secure monthly direct debit. It couldn't be easier!

Service Plan benefits:

- 10% discount off normal service prices
- Inflation proof: fix the cost of your future maintenance at today's prices
- Easy monthly payment by direct debit
- Free puncture repairs (where legally possible)
- 10% discount off any additional costs for parts and labour
- Courtesy cars or collection and delivery service
- Vehicle health check
- MOT fee at a reduced rate of £45 if you opt to include it within your Service Plan

What happens if I exceed my estimated mileage?

A balancing charge will be made as appropriate

What happens if additional work is required during the service?

We will provide a full estimate and gain authorisation prior to commencing the work and will quote at the discounted rates.

What happens if I change my car?

Any balance can be transferred to a new plan for your new vehicle with your written consent.

What happens if I terminate the agreement?

Any balance is refunded to you after a cancellation charge.

What happens if I cancel the Direct Debit?

The fund is available for you to spend for one year after the last Direct Debit was received.
